

CHEER

We welcome you to DA Cheer. At Diamond Athletics, we put a huge emphasis on properly developing our athletes in a positive and supportive environment. Whether you choose one of our competitive teams or a cheer/tumbling class, the more hours your child dedicates the quicker your child will progress as long as they are putting in 100% effort toward their goals.

We love training our athletes for their middle school, high school and collegiate cheer teams.

We will always celebrate our student's accomplishments and want to create an environment where all of our athletes cheer each other on! Hardwork and Dedication is required for anyone who wants to cheer at the next level and we want to do all we can to play a part in your child's journey to accomplishing their goals.

We look forward to seeing your child progress in cheer and tumbling!

WHAT IS COMPETITIVE CHEER?

Competitive routines consist of Stunts-Group & Pyramids, Jumps, Transitions, Tumbling & Dance. Teams may also have a cheer/chant added.

Competitive cheerleading is different from school cheerleading or peewee in more ways than one, and the tryout process is the first thing that sets the two apart.

Competitive cheer is a competitive team sport. Whether you are trying out for an competitive team for the first or ninth time, there are always nerves that need to be settled.

In Competitive, there is usually a team for everyone, no matter the skill level. Unlike high school or college tryouts where there are normally only one or two teams for the highest skilled athletes,

competitive gyms have many teams for all levels and age groups. The teams will be pushed to reach their highest potential in all aspects of Competitive cheer. Success does not just come from winning trophies but making sure each individual is having growth to be able to reach their future goals.
